SUMMARY

I am a UI/UX Designer and professional Front-End Developer with a strong focus on creating responsive interfaces for client-side web applications. Currently at Red Code Solution Pvt Ltd as a intern software engineer special focus by front end development, I collaborate with both design and development teams to deliver user-centered digital experiences. I'm involved in the full front-end workflow—from designing in Figma to implementing clean, functional interfaces in code. Detail-oriented, creative, and committed to modern, high-quality UI.

EDUCATION

ICET CERTIFIED DEVELOPER PROGRAM (ICD PROGRAM)

Institute of Computer Engineering Technology (ICET)
